PRESENT: THE HONORABLE WILLIAM G. COBB, U.S. MAGISTRATE JUDGE

DEPUTY CLERK: Katie Lynn Ogden REPORTER: FTR

COUNSEL FOR PLAINTIFF: Inginio Hernandez, In Pro Per (Telephonically)

COUNSEL FOR DEFENDANTS: Benjamin R. Johnson (Telephonically)

MINUTE ORDER IN CHAMBERS: Motion Hearing

10:04 a.m. Court convenes.

The court holds today's conference regarding Plaintiff's motion to extend time to respond to Defendants' motion for summary judgment (Doc. # 142) and Plaintiff's motion for copywork extension (Doc. # 144).

The court first addresses Plaintiff's request for copywork extension. Specifically, the court inquires as to what and how many documents relative to Plaintiff's three causes of action that he anticipates to copy. Plaintiff lists a number of medical kites and grievances to which he would be making copies of in order to oppose the Defendants' motion for summary judgment.

The court explains to Plaintiff that, of those grievances and medical kites he lists, only those that pertain to his three claims, would be necessary for him to include in his response to Defendants' motion for summary judgment. The court reviews with Plaintiff the three claims that remain in this action. The court refers to Doc. # 10, Screening Order.

DAG Johnson advises the court that, according to Nevada Department of Corrections inmate banking, the \$10.00 copywork extension recently granted to Plaintiff (Doc. # 130) is still available for him to use. Although DAG Johnson does not state an objection to Plaintiff's request for an extension of copywork, he suggests Plaintiff may not necessarily need to submit every grievance and kite to adequately respond to the Defendants' motion for summary
